Dear Richard Kushi,

Please be advised that effective October 11, 2007, Vericare Psychology, Inc., a California professional corporation, has changed its name to Vericare of California Medical Group. We have been advised by your staff that the current contract must be terminated and a new one executed. As such, consider this notice to terminate the existing contract and commencement of a new contract with Vericare of California Medical Group. Also, if it is advisable, an amendment to the existing contract listing our new name would suffice on our end. Please feel free to contact me directly with any questions.

Also, please note that effective May 10, 2007, Brad Schwartz, MD is the sole shareholder, removing, Joseph Casciani as such.

Kindest Regards,

Dan Budd
